Attention: Mr. David Whitman

Dear Mr. Whitman:

We are pleased to send you the attached three printouts from our data base indicating the review action taken on the Joint Army Navy Intelligence Studies (JANIS).

We appreciate your assistance in arranging with the Departments of Army and Navy for Ms. Haran's branch to review this record series without coordination. The enclosed printouts are in compliance with our agreement to furnish Army and Navy with notification of our review action. We are also sending one copy each to the Department of State and the National Archives and Records Service.

Thank you again for your help. If we can be of assistance to you at any time, please do not hesitate to call us.

Sincerely,

Chief, Classification Review Division
